EDUCATE. EQUIP. ENGAGE.

HISPANIC ACTION NETWORK

In recent years we have seen an agenda to undermine our faith. We live in a country, where our freedom to worship is challenged by appointed officials. Even individual freedoms to act and live by our conscience, are under siege.

Now it is time for Hispanics to stand in the gap for our nation.

Within the next 20 years, the face of our nation will radically change and questions in our culture will arise like never before. Hispanics in our nation can make an impact to preserve our culture of faith and freedom.

We must now awaken to the reality of our purpose and unite under the Truth of God's word.

It is time to pray, stand for Biblical Values and take action in our cities and for our nation in every sphere of culture.

The Hispanic Action Network exists to educate, equip and engage the faith community from a biblical worldview, to pray and impact culture by turning our faith into action.

We **EDUCATE** Hispanics on current issues that affect our future.
We **EQUIP** Pastors and Leaders to be salt and light in their community.
We **ENGAGE** Grassroots Networks to impact cities and transform our nation.

LETTER FROM OUR DIRECTOR

Dear Friend,

I believe that the overall condition of a nation is a direct reflection on the condition of the faith community. As a pastor myself, I believe the pulpit is largely responsible for the moral condition of our country.

To that end, the Hispanic Action Network (HAN) seeks to engage, educate and equip the Church to be effective in taking a stand for biblical truth. Whether it's local, in your state or on the national level, I believe we are at a crossroads of cultural issues impacting the future of our families, our churches and this nation.

The Church has been silent for too long and we have lost ground in critical areas of our society. Sunday mornings alone are no longer enough. We must take a stand as people of faith and use our voice to proclaim God's truth in our communities. It's time to bring transformation to our school boards, city councils, boards and commissions and state capitols across our nation.

I see a future, where the Church is reclaiming our culture and our nation for God's glory by turning our faith into action.

Will you join me? Are you willing to be a faithful and courageous member of the Hispanic Action Network and a catalyst for righteous change in America?

Standing In The Gap With You,

MARK GONZALES
EXECUTIVE DIRECTOR
HISPANIC ACTION NETWORK

"If there is a decay of conscience, the pulpit is responsible for it... If Satan rules in our halls of legislation, the pulpit is responsible for it. If our politics become so corrupt that the very foundations of our government are ready to fall away, the pulpit is responsible for it."

– Charles Finney

"It is impossible to right govern the nation without God and the Bible."

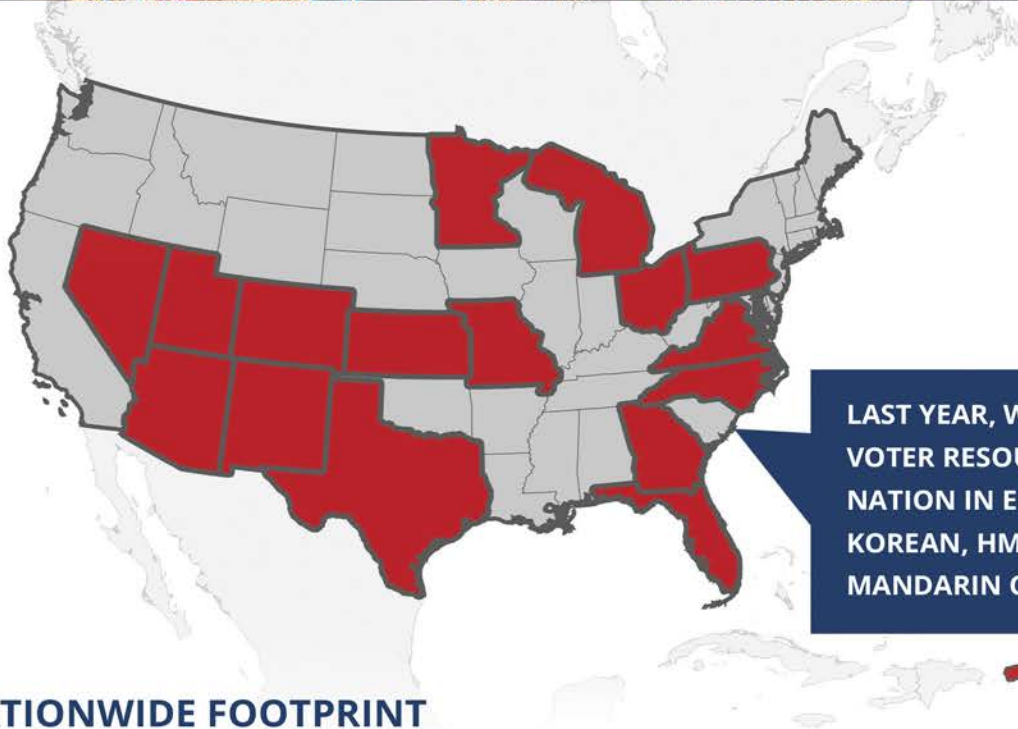

– George Washington

REV. MARK GONZALES IS THE FOUNDER AND EXECUTIVE DIRECTOR OF THE HISPANIC ACTION NETWORK (HAN). FOR OVER 15 YEARS, HE HAS ESTABLISHED GRASSROOTS NETWORKS ACROSS THE UNITED STATES WITH AN EMPHASIS ON PRAYER AND CIVIC ACTION WITHIN THE HISPANIC COMMUNITY.

IMPACT YOUR CITY.

TRANSFORM OUR NATION.

HISPANICS IN OUR NATION ARE:

PRO - LIFE
PRO - TRADITIONAL MARRIAGE
PRO - ISRAEL
PRO - GOD
PRO - WORK
PRO - BIRTH

FAITH AND FAMILY are the core of our values. We know that pastors across the country, are asking the question, "How can we make an impact in our city?"

HISPANIC FAMILIES are one of the greatest allies we have to transform our nation.

Although most media outlets lead us to believe that our people are social progressives, is this the whole truth?

While Hispanics maybe considered progressive because of their support for immigration reform. We are a people with deep roots in our faith and our families.
